PROBLEM STATEMENT

DATE	22 september 2022
TEAM ID	PNT2022TMID14142
PROJECT NAME	Smart Waste Management System For Metropolitan Cities
MAXIMUM MARK	2 marks

I am	I'm trying to	But	Because	Which makes me feel
commoner of metropolitan city	dispose my household waste	The garbage bins near my house are always full.	there is no proper management of waste collection	unhygienic and unhealthy

I am	I'm trying to	But	Because	Which makes me feel
Sanitary Worker	Collect Waste from Public Garbage Bins	I can't find garbage bins that are full	there exist no system to find the bins that are full	Very tired and frustrated to often look and find the bins that are full
